

## Cloud Drops

MAY THE LORD WILL BE  
GLORIFIED WITH YOUR LIFE  
DURING 2010 AND IN REGARDS  
TO IT YOU WILL BE RICHLY  
BLESSED ALL TOGETHER WITH  
YOUR DEAR FAMILY

*I took you from the ends of the Earth,  
from its farthest corners I called you, I  
said, "You are my servant" I have  
chosen you and have not rejected you;  
so do not fear, for I am with you; I will  
uphold you with my righteous right hand.*  
Isaiah 41:9-10

Thank you for Gods love and  
faithfulness, He shows His perfect love  
to us through you: thank you for your  
letters during the year, the lovely cards  
we received gave us lot of joy; someone  
did not forget a single of our birthdays  
this year, we were delighted with the  
wonderful presents too. Most of all  
your faithful prayers gave us the

strength to keep going and serving the King; your sacrificial contribution kept us fed,  
warm and with health as well as our daily needs.

OMS has officially decided on a new logo and a meaning for OMS it is now ONE  
MISSION society, referring to our one great mission to go into all the world and make  
disciples in every nation. As a consequence our email addresses are changing  
immediately to [mvogan@onemissionsociety.org](mailto:mvogan@onemissionsociety.org) and  
[nvogan@onemissionsociety.org](mailto:nvogan@onemissionsociety.org)  
so please make the necessary changes.

### ***Cultural issues:***

We wondered why there was so much yellow underwear for sale in the streets on New  
Years' eve. If you are in Loja to receive the New Year, you must have yellow  
underwear. Well, it happens that on the 31st of December at 12 midnight both men  
and women will wear yellow pants (underwear) for luck.

### ***Praising drops:***

The Radio Hope programme ATREVETE (Go for it) is a blessing, even to myself,  
Nube. Construction has a new presenter: her name is Neibe (Pronounced -Navy) she  
is a blessing to the radio, to the program and to the whole ministry in radio, also she is  
a blessing to Nube. "Navy" is also a great help in Atrevete answering the phone lines  
and participating and standing in for Nube. "Navy" has also taken to news presenting  
on RH which Nube left a while ago.

Mark is very busy with the programming of both frequencies, the technical issues in engineering issues, etc. we praise the LORD for Daniel Kahn, a SIM missionary who is a blessing to Mark, his very presence in the radio gives Mark encouragement, also he is far better with computers. We also have receive some help from Steve, a SIM short-term missionary, who is been helping since David Hansford when back home. Unfortunately Steve has returned to the US last month but is seeking to attend Seminary to prepare him for future ministry wherever God leads him; back to Loja we hope!

The Prison ministry is just a encouragement to Nube, some ladies begun making quilts; they did not know even how to handle the sewing machine, now they make beautiful quilts, we are selling them, in the same ways they lives every day is being sewn stitch by stitch, one step at the time.

Dad preached in 3 Churches and Mark translated.

Mum, Espeanza (back) and Elena in Saraguro

We are enjoying our time with John and Rita (Mark's parents) here at this time of the year. The children are so happy, last Christmas we ate porridge for Christmas dinner this year was... YUM, YUM, praise HIM who made it possible.

Yolanda, Nube's sister and her husband and two of their sons were baptized the 20 of December, her testimony was such that the stones nearly cried out: I did not want to go to Ireland, she said, because I did not want to leave my painful shell because of my sad background... Only a Spanish song made my think some One loves me which I heard in a Church Barbeque in Belfast. It was there in my loneliness at the bottom of a stairs I ask God to take my life; HE took my life and I am here, because HE loves me... Luis and Yolanda are sharing the Word.

Missionary Children treating us to a song.

We enjoyed hearing reports from all round Ecuador at the business meetings for OMS (One Mission Society) which were held in Camp Pallatanga, 19-13 Jan. We look forward to having Robert Murdock as speaker with a team from Emmanuel Baptist Church, Canada for our Missionary Retreat in July.

***Pleading before HIS throne of grace for the following:***

Oscar, Mark, Guest, Alex (HCJB technician), Neibi (Navy) and Mauricio in the Hola Familia (Hello Family) programme.

- New radio workers (volunteers) want to be trained, Mark is with them receiving 2 weeks of training in HCJB Worldwide Radio in Quito.
- Pray for regular other income/radio advertising for the volunteers that can fit with their radio ministry and provide for their families' needs.
- Pray for a safe 12hr journey for Mark driving from Quito to Loja with Oscar and "Navy" on Friday.
- Ask God for: health, abilities, holiness and care for every presenter in the radio and for the whole staff.
- Please pray for Nube's health as she has been suffering from fainting and low blood pressure.
- Nube's family, ask for the ones who are not saved yet.
- A teacher will be a tremendous help. Pray for Jenny Riggs support and proposed arrival in August and her desire to help for the 2010-11 school year.
